Izaiyah Gleaton

EDUCATION

Midlands Technical College   **August 2022- May 2025**   *Columbia, SC*
Associate's Degree in Computer Engineering   GPA: 3.576
 University of South Carolina
Bachelor's in Computer Engineering 2+2   **August 2025 - May 2027**
                                                                      GPA: N/A

RELATED EXPERIENCE

Web Design / Development - *CTE Course*
- Programmed a plethora of CSS websites for personal value.
- Designed a website talking about my hobbies and characteristics.
- Developed a website for a "business" based on their principles and products.

Animation - *CTE Course*
- Designed and animated an abstract music circle equalizer for videos using Adobe After Effects and an editor.
- Designed 2-D animations, making shapes, objects, or drawings move fluidly.
- Used Adobe Photoshop to design animated posters and flyers.

12 Days of Christmas Project
- Recreated the famous *Twelve Days of Christmas* song within Java using switch statements, along with a number inputted by a User to determine the switch correlating with the day.

Poker Game Project
- Recreated the famous Poker game in Java to play for personal enjoyment.
- The game collected 7 players' names and gave each player a hand of cards, and whichever hand was the highest was declared the winner.
- Would even tell you if what you had was a "One Pair", "Three of a Kind", or "High Card"

WORK EXPERIENCE

Trane Technologies   *Columbia, SC*
IT Internship   **August 2025 - Present**

- Worked on computer refreshes
- Switched out old shopfloor pc's for updated versions
- Learned how to navigate Active Directories
- Used Intune to remote into Pc's to copy data and push to a new pc.
- Gained familiarity with documenting the process with Excel spreadsheets

EHS Intern   **May 2025 - Present**
- Supported safety training compliance and maintained training records.
- Actively participated in the safety committee.
- Conducted annual reviews of Lockout/Tagout procedures.
- Developed and implemented a process-layered audit for EHS.
- Managed the EHS Management Daily Improvement (MDI) process.

Southland Log Homes   *Columbia, SC*
Contractor   **November 2023- April 2024**
- Working as a contractor for Southland, navigating Archicad, along assisting in the finalization of blueprints to be presentable to customers
- Worked on older projects as well and updated them to newer standards, similar to blueprints to be presented
